Site map

The Nordic Championship event is held in Tuusula BMX track. The track is brand new and will be ready in summer 2022. It has 8 meter and a 4 meter start hills and a pro-section on the 2nd straight. Both hills will have Pro-Gate starting gate. Track length is 380 meters. The design is made by Pro Tracks.

General information

Public Access is with entry fee to the grandstands, food area and shops.

Team area is accessible to riders and team staff. No accreditation is needed to enter the team area. We hope that only team riders and staff use the team area. Each country has their own space, please find more info under 'Team and Camping Area'.

Cash and credit cards can be used in the food area.

Toilets and trash containers are available in several locations. Please use them and keep the area clean!

Welcome Center is situated under the SX start hill. Team managers are invited to pick up number plates per country. Transponder rentals can be picked up by country. TM meeting and Official meetings are held at the Welcome Center.

Mylaps transponders

All riders in all classes (not Novice class) need to have an active transponder, Mylaps ProChip Flex. Transponders should be mounted on your bike (fork) before entering practice Friday. Transponders can be rented for 5 euros/ rider and need to be returned after the race. All riders (teams) renting a transponder must inform about it in the entry-sheet. If the transponder is not returned, a fee of 100 euros will be invoiced to the federation.

Team and Camping Area

Rules

- The provisions of the UCI's BMX Rulebook in its latest version apply with a few amendments (in this Technical Guide)
- The use of interlocking pedal-cleat systems is allowed for categories 13 years and over.
- All championship categories scramble seeding is used, according to UCI Rulebook 6.1.027quater, 6.1.029, 6.1.029bis with further explanation refer to UCI Rulebook article 6.1.033
- All challenge categories scramble seeding is used for all motos. A and B finals in all challenge classes with finals rounds (9 or more riders confirmed)
- The number of heats during the Motos and the number of riders in each such heat shall be determined as per Annex 1, based upon the number of riders entered and confirmed in the category following rider's confirmation.
- Likewise, the number of riders who will transfer from the Motos into the Qualifiers or the Final (whichever the case may be), will be Full gate. However, the riders are randomly distributed through these heats, such that the heats are not the same within each of the three Rounds of the Motos (source: UCI Rulebook article: 6.1.027quater). For more

explanation of the scrambled moto and transfer system please refer to UCI Rulebook article 6.1.033

- To avoid any doubt, during motos, random predetermined gates. Time in 3rd moto and in Qualifiers determines lane selection for the next round, refer to UCI Rulebook article 6.1.029bis.
- In categories with 5-8 riders, the rider with the highest total points earned in the Motos will not be transferred to the Final.
- Schedule of races and transfer systems for all challenge categories:

# Riders	Moto Heats	¼ Finals	½ Finals	Finals
<=8	1	-	-	Drop 1 Rider
9-16	2	-	-	A Final of 8 Riders, B Final if minimum 4 Riders
17-24	3	-	2x 8 Riders	A and B Finals of 8
25-32	4	-	2x 8 Riders	A and B Finals of 8
33-40	5	4x 8 Riders	2x 8 Riders	A and B Finals of 8
41-64	6 to 8	4x 8 Riders	2x 8 Riders	A and B Finals of 8

- All Novice categories scramble seeding is used for all motos. 4th heat in all Novice categories, random seeded as well.
- In case of special conditions (weather etc.) PCP can reduce the number of moto's. This can only apply for challenge classes and never for championship classes.
- All riders receive a number plate and side plate from the organizer at registration. The number plate must display the number plate and side plate assigned to him. A rider who fails to display the correct number plates will be refused their start, or relegated, if it noticed after beginning a heat or run.
- The finalists from World Championship and European Championships in 2022 will receive a number corresponding to their result in the final. The finalists of the previous Nordic Championships in 2019 will not be given a number corresponding to their results in 2019.
- Championship Elite riders with a career number shall use their career numbers assigned by the UCI.
- All Championship Juniors, Challenge and Novice class riders must not wear number on their jersey at any time. Name printed on back is allowed. The race jersey is obligatory during prize ceremony.

Accreditation

Each Country must appoint a Team Manager to confirm the participation of all riders, be present at the Team Manager meetings and to collect all number plates for the team. The Team Manager must present his/her license provided by the federation.

Each Country can appoint assistants based on the number of entries. Team managers and assistants are both allowed to enter the track in case of accident/crash. Both Team Managers and assistants must be aware of UCI rules as well as the content of this Technical Guide.
